THE ART HOUSE

WELCOME TO THE ART HOUSE COURSE AND WORKSHOP GUIDE, JANUARY - MARCH 2020.

We have a huge range of courses for you to enjoy this term, from throwing on the wheel to experimental figure drawing. Our courses take place in our city centre pottery and studio, with on-site café and exhibition spaces. You'll also find a range of one-day workshops, family activities and exhibitions happening throughout the season. Keep an eye on our website for the most recent updates.

The Art House is a social enterprise and charity. We believe that participation in the arts brings an increased sense of wellbeing for people as they learn new skills, develop their creativity and benefit from meeting up with other individuals with a similar interest. Our commercial activities support our charitable work with marginalised groups, so every pound you invest in learning a new creative skill helps to support and promote the recovery, social inclusion and development of local artists from marginalised groups.

Everyone is welcome at the Art House, we hope to see you soon.
